BRONZE VASE GUSTAV GURSCHNER CA. 1906

€17.200,00

Large bronze vase with leaf ornament, design Gustav Gurschner, manufactured by K.K. Kunst-Erzgiesserei Wien, ca. 1906, cast bronze, signed

This vase, with its rectangular shape, slightly tapering towards the top, impresses with its massive size and its floral relief with plant decoration in the upper, recessed half.
At the time in Vienna Gurschner was a master craftsman at the K.K. Kunst-Erzgießerei when they were commissioned to produce the foliage for the dome of the Vienna Secession building. Thus, one can assume that this imposing laurel decoration also served as a source of inspiration for Gustav Gurschner’s own designs and floral decorations.
