

CALF KARL HAGENAUER CA. 1928

€4.800,00

Calf, design by Karl Hagenauer, execution
Werkstätte Hagenauer wien, ca. 1928, brass,
nickel-plated, marked

Animals played a central role in the works of both Franz and Karl Hagenauer. In this design, graceful lines come together to form a stylized depiction of a calf, reflecting the playful and humorous character of many designs from the 1920s.

Crafted from high-quality nickel-plated brass — a material particularly valued for its durability — the figure combines artistic decoration with exceptional craftsmanship, serving as a prime example of Karl Hagenauer's design sophistication.
