

**FRUIT BOWL FRANZ
HAGENAUER CA. 1931**

€3.400,00

Fruit bowl, design by Franz Hagenauer,
manufactured by Werkstatte Hagenauer Vienna,
ca. 1931, brass chased, polished, marked

In addition to the variety of decorative objects designed by the Hagenauer brothers, one can also find plenty of everyday items refined with their unique style. This ranges from candle holders, cenerpieces, and hand mirrors to letter openers. Another example is this elegant fruit bowl, handcrafted and chased from brass. In this highly decorative bowl, the elegant hammered decoration is prominently visible, creating fascinating light reflections through the texture of the hammered work.
