

**LOETZ VASE FRANZ  
HOFSTOTTER CANDIA PG  
6893 CA. 1900**

**€4.500,00**

Tulip shaped vase, Franz Hofstotter, Johann Loetz  
Witwe, decor Candia Phenomen Genre 6893 ca.  
1900

---

This Loetz Tulpid Vase was designed by Franz Hofstotter for the World Exhibition in Paris in the year 1900. According to specialized literature this vase was executed several times with different decoration variants. The usage of floral motives is quite typical for the Viennese artist Franz Hofstotter. The tulpid form and the strong, highly iridescent yellow color make this vase an extraordinary eyecatcher.
