

**VIKING SAILING BOAT
WERKSTATTE HAGENAUER
CA. 1935**

€4.600,00

Viking sailing boat, Werkstatte Hagenauer
Vienna, ca. 1935, wood and brass, marked

This sailing ship is one of the largest models of boats made by the Werkstatte Hagenauer in the 1930s. The combination of brass and wood gives this object a special charm. The blown sails and the voluminous hull of the ship give the impression of a fast and vibrant voyage through the foaming waves.
