WERKSTATTE CIRCA 1924**

€3.000,00

Writing Case, design Josef Hoffmann and
Mathilde Flogl, by manufactured Wiener
Werkstatte, circa 1924, Leather gold embossing,
marked

In the 1920s, the leather department of the Wiener Werkstatte produced high quality leather objects. From five feet tower cabinets designed by Otto Prutscher to match cases by Josef Hoffmann they produced most of their items in gold embossed goat leather.

The shape of this writing case was designed by Josef Hoffmann around 1919. The decor was sketched by one of the most versatile female artists of Wiener Werkstatte, Mathilde Flögl. It is made of gold embossed goat leather and silk on the inside. It is marked with the gold embossed "Wiener Werk Stätte" signet.
